Certifications: ITAR Certified,
ISO 9001:2015

UEI: YBUXDS9J65P1

Cage: 9QYN4

Primary NAICS: 332710 - Machine Shops

Secondary: 332721, 332722, 332994, 332999, 336412, 336413, 336414, 336415, 336419, 339112, 339113

Capabilities Statement

Lingerfelt Machine Works was Established in 2018 by Brantley Lingerfelt. We are a small shop with big capabilities. We specialize in CNC machining small and intricate parts out of a variety of metals and plastics with highly precise accuracy. Lathe Work, mill work, finishing, Whether you need 5 parts or 500,000, we can handle it all.

We provide CNC Milling and CNC Turning processes. LMW specializes in small and micro-sized parts where tight tolerance and surface finish are critical. The industries we have served are Aerospace, Aviation, Defense, Medical, Electronics, Automotive, Etc. We are a one-stop shop when it comes to creating the parts you need.

Core Competencies

- CNC Machining
- Micro Machining
- Small Parts Machining
- Swiss Machining
- CMM Inspection
- 4th Axis
- CNC Lathe/Mill
- Parts Finishing

Differentiators

Not every machine shop is able to make small parts as accurately as we do. Lingerfelt machine Works was created from the ground up for micro machining small parts. We have machines dedicated to that market. We are conveniently located in northeast Georgia. Just an hour and a half north of Atlanta we are just a short distance away from Robins Air Force base along with many other military bases in Georgia. We are ITAR certified.
